CHARITY ❖ EDUCATION ❖ SERVICE

American Golf Foundation Mission Statement:

To promote the game of golf through charity, education and community service.

Who We Are

American Golf Foundation (AGF) is a registered 501c(3) non-profit organization dedicated to making a difference in our communities by promoting the game of golf and its ideals through charity, education and community service. At the core of our mission is a caring team of volunteer **AGF Ambassadors** who contribute their time, passion and energy to help educate golfers about the game; raise funds and awareness for various charitable causes; and support programs that provide people of all ages and backgrounds with the opportunity to learn, play and enjoy the game of golf.

Our Commitment to Charity

A primary focus of AGF is to administer golf-related fundraising activities in support of various charitable causes. AGF Ambassadors volunteer their time to conduct charity golf tournaments, assist charitable groups with their events, organize on-course challenge contests and other fundraising activities, and spread awareness in support of all types of worthy non-profit organizations. AGF is proud to have contributed over \$5 million to charitable

organizations over the past 10 years. Amazingly, a major source of our funding comes from the nominal \$1-\$10 donations from our generous golfing patrons who participate in the par-3 fundraising contests administered by the AGF Ambassadors. Every dollar adds up quickly, and we are happy to help make a difference in the communities in which we serve through this game we all love:

Our Dedicated Ambassadors

AGF Ambassadors bring diverse skills, backgrounds, experience and perspective to the Foundation, but are united by their mutual passion for golf and for giving back to their communities. In addition to their charitable fundraising efforts, Ambassadors serve as advocates for the game of golf by offering assistance to junior golfers, beginners and others enjoying the game. Ambassadors greet golfers on the 1st tee, provide information about the golf course, and educate them on golf etiquette, rules, safety and pace of play.

We are often seeking friendly volunteers to join our team.
